

2019 HUITIAN NEW MATERIAL

2019 Huitian new material company profile

STOCK CODE: 300041

No.1 Brand 42 Years

National brand Industrial patriotic

股票代码：300041

Group Chairman、 Secretary of the party committee **Feng Zhang**

12th and 13th National People's Congress, senior economist, executive director of China adhesives association, vice President of hubei provincial federation of industry and commerce, China's outstanding science and technology private entrepreneurs, Chinese charity figures, May Day labor medal winner...

After more than 40 years of unremitting struggle and hard work, taking the high-speed train of national rejuvenation, huitian started its business from a little-known local scientific research institute, and gradually grew into a high-tech enterprise group with industries across Shanghai, guangdong, jiangsu and hubei, as well as the preferred brand of high performance adhesives to replace imports. Take responsibility, let employees grow, customer satisfaction, partners win-win, shareholders value-added, social recognition, to create a win-win value chain from the inside to the outside, from the upstream to the downstream, this is huitian firmly adhere to the business philosophy and value pursuit! Huitian will create high-quality products with reverence, concentration and ultimate pursuit of tao, and win dignity for enterprises, industries and countries in the fierce market competition stage, so as to realize leapfrog development.

Create High-quality Goods

Scale: The largest adhesive R&D manufacturer in China

股票代码: 300041

Four major R&D manufacturing base, total area over **500,000m²**。

Shanghai

80,000+m²

251, wenji road, songjiang district,
Shanghai, China

Hubei

300,000+m²

No.7, aerospace road, xiangyang city,
hubei province

Changzhou

100,000+m²

23 fengxiang road, changzhou city,
jiangsu province, China

Guangzhou

20,000+m²

No.5 qibei road, guangzhou

✘ Yicheng 90,000 m² in construction.....

 R&D: 40 years technical precipitation Creat high-quality products with originality

股票代码: 300041

312 patented technology

19 authorized certification **100+** Certificates of honor

Huitian was jointly identified as the "national enterprise technology center" by five ministries. As early as 2012, the Chinese Academy of Sciences and the Chinese Academy of Sciences jointly established "ying hua hui tian high performance adhesive materials engineering technology center."

R&D: 40 years technical precipitation Creat high-quality products with originality

股票代码: 300041

20+ Research groups, covering silicone, acrylate, epoxy resin, polyurethane etc. **10+** Products type.

Top talents
First in China
(same profession)

The company always puts technology research and development and innovation in the first place. In 2013, it invested and built a domestic first-class r&d center for engineering adhesives in Shanghai.

R&D: 40 years technical precipitation Creat high-quality products with originality

4 R&D centers

23 Labs

12 Quality inspection labs

6 Application labs

Ancillary facility
First in China
(same profession)

- Silicone laboratory
- Polyurethane laboratory
- Epoxy adhesive laboratory
- Acrylate laboratory
- UV glue laboratory.....

- Testing room for following performance:
- Constant temperature and humidity
 - Mechanics
 - Chemical
 - Aging
 - Anti-fatigue
 -

- Application fields:
- Elec Tronic
 - Solar panel
 - Automotive
 - Construction
 - Flexible packaging
 -

It has successively established joint laboratories with Chinese Academy of Sciences, Shanghai fudan university, Shanghai engineering university, hunan university, faw materials research institute, shenlong technology center and China academy of railway sciences, making huitian take the lead in China adhesive technology.

The most advanced equipment, the largest capacity of adhesive production enterprises in China

Using advanced information control technology automatic production line

Manufacturing

Leading production equipment

Strict quality inspection system

The international leading level 96 ten thousand tons of twin-screw production line

International leading polyurethane adhesive production line

Level-100000 dust-free back production workshop

股票代码: 300041

Strict quality inspection International recognition

Abbe refractometer, chromatography analyzer, laser particle size analyzer..... Etc., **70+** advanced testing equipment.

Manufacturing

Leading production equipment

Strict quality inspection system

Safer

美国UL阻燃认证
德国TUV系统安全认证
国家TB/T3139 TVOC限量测试

More reliable

德国GL认证
铁道部产品质量监督检验中心认可
国家JG硅酮结构密封胶认定

Feel more relieved

美国FDA食品安全认可

TB

Altitude of the world Huitian of China

High performance adhesive
Industry - wide adhesive solutions

5 adhesive types, **2000+** products, to meet the different needs of adhesive.

High performance silicone, polyurethane, acrylic, anaerobic, epoxy resin adhesive

Photovoltaic industry

股票代码: 300041

**he market share of photovoltaic industry
is the first in the world**

**Every three of photovoltaic modules, there's one using
Huitian's products**

Huitian is China's first autonomous backplane founder. From silica gel to back plate, from back plate to fluorine film, from core raw materials to synthesis, huitian has fully realized independent research and development and production, and today has become a global leader in photovoltaic packaging materials.

Led lightning NO.1 market share
Working with All top 10
customers

There are 31% market share in Led industry for Huitian products. We provide potting, bonding, heat conduction etc. all series adhesive solution from battery ,lightning and screen .

Commercial Vehicle Industry

股票代码: 300041

NO.1 market share for commercial vehicle industry

There are 37% market share in commercial vehicle industry for Huitian products. We already worked with JINLONG, YUTONG, JINLV, ZHONGTONG, HAIGE, FUTIAN, etc. all top 15 customers. Huitian provides commercial vehicle all series adhesive solution from sealing to bonding.

Superior quality obtains worldwide

The world's No.1 cross sea bridge

HK- Macau - Zhuhai cross sea bridge

Huitian offered R&D support and supplied main project structural adhesive and closure structural adhesive of the bridge with 120 years quality assurance.

Superior quality obtains worldwide customers'

股票代码: 300041

The world's No.1 communication equipment manufacturer

HUAWEI

HUITIAN provides overall hand held device ultra fast charge and inverter potting solution.

Superior quality obtains worldwide customers' trust

股票代码: 300041

The world's NO.1 high end smart phone manufacturer

APPLE

Smart end device fast charge deep
customize adhesive solution.

Superior quality obtains worldwide customers' trust

股票代码: 300041

The world's NO.1 rail transit equipment manufacturer

380km/h CRH speed train domestication strategic supplier , Huitian passed 800,000 KM strict test

Huitian had long term strategic partnership agreement in speed train carriage adhesive and rail etc have overall cooperation.

 Superior quality obtains worldwide customers' trust

股票代码: 300041

The world's No.1 commercial vehicle manufacturer

YUTONG BUS

Huitian already be the first adhesive supplier to YUTONG BUS, windshield glass ,components sealing & bonding overall solution. we have more than 70% share on bus glass sealing in YUTONG.

 Superior quality obtains worldwide customers' trust

股票代码: 300041

The world's No.1 lightning manufacturer

PHILIPS

PHILIPS LIGHTNING

Huitian already have 15 years history in electronic adhesive industry, obtained SGS, UL etc. international certificates. Backed by superior quality and professional ,high efficient and reliable application technology, we obtained all customers trust.

 Superior quality obtains worldwide customers' trust

股票代码: 300041

The world's No.1 PV module manufacturer

Jinko Solar

Jinko is world's biggest PV module supplier which have 14% world's market share and 11.5 GW capacity in 2018.

Huitian cooperated with Jinko in various aspects and totally sales to Jinko more than 100 million in 2018 for more than 45% share.

Superior quality obtains worldwide customers' trust

CHINA ADHESIVE CLIENTS MOST FAVORABLE BRAND

CHINA ADHESIVE MODEL ENTERPRISE

CHINA QUALITY FIRST AWARDS

.....

Superior quality obtains worldwide customers' trust

Huitian actively presented domestic and international forum and seminar as china NO.1 adhesive brand.

Create value to adhesive industry ,promote the development of the industry

Be committed to long term business
Create century HUITIAN brand

Customers first
Staff is foundation
Huitian is the company with honorable history,
fast growing company,
and the company with bright future.....
