Maple Syrup and Organic Maple Syrup

Different packages, but just one amber, warm, and caramelised taste: inimitable

All the friendliness and fun of an organic
“made in Canada” product on your shelves!

Bring the legend to your shelves for one and for all!

Pure 100% maple syrup is one of the great delights of Canadian nature. This is simply a legendary product for all tastes, including pancakes (of course!), yogurt, crepes, fruit salads, cakes, and even poultry and pork roasts!

Are you missing a “from faraway” product on your sugar shelf?

It's perfect location?

On the **breakfast shelf**

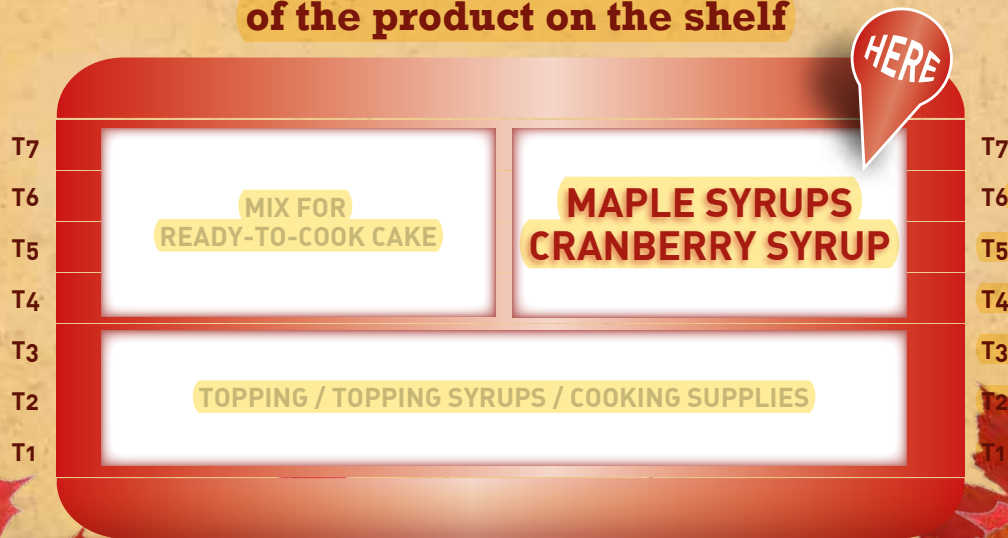

or with the **cooking supplies.**

Boost and direct your sales
with a product that evokes both
history and nature.
